Education

DEGREE PROGRAMS

2018–2024: Massachusetts Institute of Technology

PhD in Linguistics

Dissertation: *Coarse Modality*

2015–2018: University of Vienna, Austria

MA in Theoretical Linguistics

2011–2015: University of Innsbruck, Austria

BA in Linguistics

OTHERS

2016–2018: Student assistant in research project. Conjunction and disjunction from a typological perspective (PI: Viola Schmitt)

2016: ESSLLI. Bolzano (Italy).

2016: EGG. Lagodekhi (Georgia).

Papers

2023: “Base-Derivative Faithfulness in Italian Palatalization”

Under revision for Linguistic Inquiry

2021: “CSC-violating head movement in English conditional inversion”

with Stanislao Zompì. Under revision for Linguistic Inquiry

2023: “Questions in Belief Ascriptions”

Proceedings of Sinn und Bedeutung 27.

2022: “Focus-sensitivity and homogeneity in attitude predicates”

with Jad Wehbe. Proceedings of NELS 52.

2020: “A unified account of velar palatalization in Italian”

Proceedings of NELS 50.

2019: “Coordinating Complete Answers: The Case of *Tanto-Quanto* Conjunction”

with Filipe Hisao Kobayashi. Proceedings of the 22nd Amsterdam Colloquium.

2018: “Cumulative readings of Italian *ogni*”

Manuscript.

2017: “Cross-linguistic evidence for a non-distributive lexical meaning of conjunction”
with Nina Haslinger, Hilda Koopman, Eva Rosina, Magdalena Roszkowski, Viola Schmitt.

Proceedings of the 21st Amsterdam Colloquium.

Selected presentations

2017: “Distributive and non-distributive conjunction: Formal semantics meets typology”

with Nina Haslinger, Eva Rosina, Magdalena Roszkowski, Viola Schmitt.

To appear in *Logical Vocabulary and Logical Change*, ed. Moreno Mitrović.

2024: “Coarse modality with Italian *magari*”

Talk at *Semantics and Linguistic Theory 34*

2024: “Quantification Uncovered”

with Filipe Hisao Kobayashi. Poster at *Semantics and Linguistic Theory 34*

2022: “Questions in belief ascriptions”

Talk at *Sinn und Bedeutung 26*.

2022: “Questions in belief ascriptions”

Talk at *Sinn und Bedeutung 26*.

2021: “Focus-sensitivity and homogeneity in attitude predicates”

with Jad Wehbe. Virtual poster at *NELS 52*.

2019: “Coordinating Complete Answers: The Case of *Tanto-Quanto* Conjunction”

with Filipe Hisao Kobayashi. Talk at the 22nd Amsterdam Colloquium.

2019: “A unified account of velar palatalization in Italian”

Poster at *NELS 50*.

2018: “Cross-Linguistic Evidence for Predicate-Level Distributivity Operators”

with Nina Haslinger, Eva Rosina, Magdalena Roszkowski and Viola Schmitt

Talk at *Journées Co-distributivité / Workshop Co-Distributivity 2018*.

Teaching experience

Summer 2023: *Intermediate Semantics*, CreteLing 2023

TA for Yael Sharvit and Rajesh Bhatt.

Spring 2022: *Introduction to Linguistics*, MIT

TA for Norvin Richards.

Fall 2020: *Topics in Linguistics and Philosophy*, MIT

TF for Kai von Stechow, Sabine Iatridou, Justin Khoo.

Spring 2020: *Semantics and Pragmatics*, MIT

TF for Roger Schwarzschild.

Fall 2019: *Introduction to Linguistics*, MIT

TA for Adam Albright.

Service

REVIEWING

NELS, Sinn und Bedeutung, Natural Language Semantics.

ORGANIZING

Co-founder and co-organizer of the Semantics Triangle, an MIT-Harvard-BU semantics reading group (2020–22)

Co-organizer of the MIT Linguistics Colloquium (2021–22)

Student representative of MIT Linguistics graduate students (2020–21)

Co-organizer of Ling Lunch at MIT (2020)

Skills

LANGUAGES

<i>Italian</i>	native	<i>French</i>	intermediate
<i>English</i>	fluent	<i>Spanish</i>	basic
<i>German</i>	fluent	<i>Latin</i>	reading knowledge

TECHNICAL

Common UNIX utils, Python, (Emacs) Lisp, SQL, Git, LaTeX, HTML/css.
